Events Festivals 2017

Each year World Jungle supports many town fairs and village fetes together with major festivals and events ranging from WOMAD, Glastonbury, Food Connections and Wychwood, to Shambala, the Phoenix Festival, Tetbury Woolsack and Stroud Fringe. We offer a variety of 'events packages', providing activity zones for children and families together with programmes of workshops and performances for all ages. With over 10 years' experience of organising events ranging from major city festivals to town celebrations, we know what works well. We enjoy making the event interactive and specialise in getting everyone involved.

Here are just some of the activities we can bring to your event to help make it special.

WOMAD, Mandy Adams

"Many thanks to everyone for another great year in the World of Children and for making it such a fun and creative part of the festival. I know everyone had to work especially hard when it got wet and muddy but it seemed you all barely flinched and just carried on with even bigger smiles. Many thanks again and I look forward to hopefully working with you again next year."

The Food Connections team Bristol 2016

"We'd like to thank you for your dedicated involvement with the festival this year. You brought such delight to festival-goers, event staff alike and to all of College Green. It was such a treat to see everyone enjoying the bubbles."

Clare Bartlett, Event Manager, Cirencester Phoenix Festival

"Thank you so much for being at the Phoenix Festival; you were loved by all ages. As always the service we received has been outstanding and we would certainly love to have you guys present again."

Imjin Music Festival 2016 (Imjin Barracks, Gloucester)

"Thank you so much for your hard work at the Imjin Music Festival. World Jungle was a huge hit with children of all ages. In fact, a comment received from the Brigadier in charge, Brig Paul Tennant, stated, "one of the joys of the evening was how unconstrained so many children were and how much fun they seemed to be having". So I think a huge pat on the back is well deserved."
