"The enthusiasm and commitment that you have shown has been wonderful and has clearly fired up playscheme's workers and children alike. The fact that many of the settings have shown an interest in taking the themes further is testament to the success of the workshops, that they've opened eyes, broadened minds and furthered the World Jungle ethos which BAND whole-heartedly supports." (Paul Dielhenn, BAND Limited)

"We all loved the training, it was so fun and we got a lot from it. It met all of our needs and more. The two workshop leaders were brilliant!" (Bella Wright from Ashton Gate Out of School Care)
